A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous

5-Year Plan for the period FY 2000 - 2004

The PHA continues to assist very-low income families with housing assistance. The PHA has not applied for additional vouchers since the NOFAs published for the fair share were targeted and have received vouchers on opt outs from Section 8 project based units that added to our inventory. We have continued to work with local social services and community based services and colleges to outreach to those families that would be least apt to apply for housing assistance. We worked with developers that brought affordable housing to the area with the use of tax credits which expanded housing choices for low income clients.

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)
